No racing fuel permitted. Up to 100 octane max. (Unleaded service station pump fuel only)

Steering dampers are allowed to be fitted.

Use of tyre warmers permitted

No tyre treatment allowed.

Points Score

As per GCR 15.22.11. Accumulated heat points to determine round winner of their class. Riders will be awarded points for all classes they are eligible which may be from the same race. IE You may receive points for 2 classes from the one race.

Grid Position

Grid positions for all heats in the same event will be based on fastest times recorded in qualifying. Only in the event of failure of the timing system or the absence of qualifying, gridding will be at the discretion of senior officials and subsequent heats in the same event will be by the order of finishing in the immediate preceding heat. Grid pattern will be 4,4,4,4.

Manner of starts

Competitors must be ready no later than 2 minutes after being called on to start. Starting method for all events will be clutch starts. Competitors leave pit lane/dummy grid and complete one warm up lap. On return a red flag will be displayed at the start line. When all is ready having due regard to safety, the flag official will leave the line, the starter will turn the lights to red for 2 to 5 seconds and then turn the red light off, which is the signal to start. Any competitor judged to have started before the red light goes off will be penalised according to GCR's with relegation, fine, time penalty or exclusion as determined by the starter, clerk of course and/or Steward.

Number Plates

Number plates must be fitted, 1 at the front and 1 on each side refer to the 2010 GCR's.

Scrutineering

The rider must present their motorcycle (with lower belly pan off) and all riding gear, along with your current National competition licence & log book for scrutineering prior to taking to the circuit. Machines which suffer accident damage in practice or race sessions must be re-examined before participating again.

Motorcycle & safety equipment may be checked on the day for general safety to ensure they conform to the safety standards set out in the 2010 GCR's. An authorized Metrakit scrutineer will be on hand to view the Metrakit machinery.

The Clerk of Course may at their discretion ask for any machine to be stripped down and measured that has taken part in the event. A member of the rider's team must be available at all times to assist with the strip down. Failure to comply with this rule will result in automatic exclusion from the event results.

All machines are required to display the special championship or series sponsor stickers, which will be supplied for Metrakit competitors refer to the Series & Machinery guidelines. These must be displayed to the satisfaction of the scrutineers and Metrakit Aust. All other championship stickers including that of any sponsor that is a direct or indirect competitor of Metrakit must be removed or obscured. The promoter reserves the right to exclude any participant that does not comply with the requirements or that shows an incorrect or unsporting behaviour.

Riders Briefing

A riders briefing will be held prior to the commencement of racing, which **ALL** competitors **MUST** attend. Details will be included in the final instructions.

Anti-Doping Policy

All competitors and officials are advised that drug testing may take place in accordance with MA's Anti-doping Policy, as carried out by the Australian Sports Anti-doping Authority. Refer to **Section 11 of the 2010 GCR's** for details.

Alcohol Testing Procedure

All competitors and officials are advised that random breath testing may take place during the competition.

Code of conduct

All competitors, officials and parents are reminded of MA's Code of Conduct contained within MA's Member Protection Regulations, found at www.ma.org.au or **Appendix 3** of the MOMS, which is a guide to appropriate behaviour at all motorcycle race meetings. This Code of Conduct applies to all meetings and will be enforced.

Event Schedule

The timetable for each individual heat/round will be notified in the final instructions.
